Extreme Suffering Relieved

Dr. C. T. Chamberlain, New Durham, N. H., writes: "I am a farmer by occupation and have worked very hard. In 1905, I was taken with inflammation of the bladder. I suffered for a few weeks and grew worse. The best doctors gave no permanent relief. I was so discouraged that I thought I would never get well. About this time I met a man who had been greatly benefited by Dr. David Kennedy's Favorite Remedy. I dropped my doctors medicine and began taking it. I obtained relief soon after I began its use. It has also greatly helped my rheumatism with which I was troubled for years." Write Dr. David Kennedy Co., Rondout, N. Y., for free sample. Large bottles, all druggists.
